Activity 4 from June 22nd to June 26th

Hi Open Doors students! We miss you all and hope you're well.

We're happy to see that you've been interacting for the past three weeks and now we want to talk to you about your plans for the future:

1. Do you remember how to talk about plans in the future? If you have any doubts, review a little before the next step.
2. Listen to the podcast sent in the WhatsApp group, or click on the link below: (listen to it more than once if you need to)

<https://www.youtube.com/watch?v=rav9sOloZ90>

3. Answer your teacher's questions in the group. You can answer by sending a video, audio or text. It's your call, but we encourage you to try to speak to us. It's better to your own development in the language.
4. Pay attention to what verbal tenses and vocabulary you need to review on the topic that you've listened to. If you need any help you can ask us!
5. Don't forget to watch, listen to or read your classmates answers to interact with them too. Sharing is part of the learning process.
