Hi Open Doors students! We miss you all and hope you're in good health.

We're happy to see that you've interacted with us and now we are ready to continue this journey to practice English. This week we're going to practice expressions the natives use all the time with TV series

1. You're going to watch the video about "Native English Expressions":  
<https://www.youtube.com/watch?v=tPaZiSqaOtE&feature=youtu.be>
2. After watching the video you're going to click on the link below to see how much you've learned:

3. You're going to watch a video the teachers André, Daniel and Elaine recorded to show how you can do to practice the new expressions you have just learned:

4. Now you're going to make up sentences using the expressions and send to your teacher in the whatsapp group, you can make a video or simply sending an audio. The expressions are below, but you gotta watch the video to use in the right context!

To be sick of something

To give it a shot

To be a big deal

To be seeing someone

To have a point

To be/get out of here

No way
