2. Now that we've listened to the song, there are some words and idioms on it that may have an uncommon meaning. We want you to try to find out these meanings. Feel free to look online or in dictionaries. The words and idioms are underlined in the sentences to help you understand the context.

You'll never reach it

I got to keep trying, got to keep my head held high

Always gonna be an uphill battle

Ain't about what's waiting on the other side

The chances I'm taking (= take a chance)

Just keep pushing on

Keep the faith

3. Now, you can practice the song using the app lyricstraining, or go to the web page and subscribe it for free, there you can also choose your level, or start with the beginner and go up level. Getting acquainted with it, you can practice with any song you want! ;-)
