Activity 1 – October 5th

Anecdotes

Wow, we can't believe we've got this far! Congratulations on all your efforts, thank you so much for being here with us! From now on we're going to work on Celebrations, exploring culture. But, this first week, in order to practice speaking, let's learn what an anecdote is. Every week you're going to share one with us, and we're going to share one with you too.

1. First of all let's watch some videos to make sure you really understand what an Anecdote means:
 - What is ANECDOTE? What does ANECDOTE mean? ANECDOTE meaning, definition & explanation: <https://www.youtube.com/watch?v=logFn6lhYsE>
 - What an anecdote means: <https://www.youtube.com/watch?v=p1lybu8VcGo&feature=youtu.be>
2. Get to know the teachers a little bit more watching their anecdotes:

3. Share with us your anecdote sending, on Google Drive, an audio in MP3 or a video if you want to: (you can use the voice recorder app from your cell phone to do this task):

If you don't feel comfortable to record an audio, you can write and post your anecdote on our Padlet, nonetheless, we encourage you now to speak.

You are going to have one week to do this activity.
Take your time, do it carefully and enjoy it!
